

Wessex Health Innovation Forum: Southampton

Harnessing bright ideas for patient benefit

Tuesday, 16 May 2017

17:30 – 21:00

Conference Room, Heartbeat Suite, F Level, North Wing,
Southampton General Hospital

Co-hosted by Wessex Academic Health Science Network and University
Hospital Southampton NHS Foundation Trust.

The meeting will showcase innovations from within the local health system and further afield that have the potential to improve the quality and efficiency of patient care. By providing a forum where innovators and clinicians can openly discuss the problems and solutions we aim to improve the quality of the solutions, and shorten the development time so that patients can benefit sooner.
