

A connected community working together to improve health and care quality across the UK

## Wessex QI Skills Lab

**Q** Community members have a wide range of skills and experience. Some have strong people focused skills, some have strong technical skills, and others have great insights into complex systems. All these skills are required for effective and lasting change and improvement.

**Wessex QI skills lab** run

**by the Wessex Qs**

**for the Wessex Qs**

The QI Skills Lab is a relaxed and informal opportunity for **Q** members **to meet up** and work together to **learn and share skills**.

**Thursday 4th April 2019**

**09:30—13:00**

AXIS Conference Centre - 3 Venture Road - Chilworth - Southampton - SO16 7NP

Refreshments will be provided.

Booking is essential:
