For more information about the events or registration please contact the PSC team at:

patientsafety@wessexahsn.net

Draft Aims of the Network:

- ◆ To connect health and social care staff for sharing, learning and peer support
- ◆ To share best practice and QI projects to improve patient safety
- ◆ To provide an opportunity to visit EDs across Wessex
- ◆ To share experiences of implementing the ED checklist.
- ◆ To develop an understanding of how quality improvement (QI) methodology supports sustainable change.
