

# HEALTHCARE INNOVATION SURGERY

Wessex Academic Health Science Network has partnered with a panel of business experts to help the healthcare leaders of the future.

The Healthcare Innovation Surgery provides advice for entrepreneurs at any stage of the business cycle, from start-up to globalisation. If you're looking to gain access to the NHS, need to know if your go-to-market plan is working, or want funding advice, the surgery is here to help.

All you have to do is fill in a short online form and a member of the team will be in touch.
