

Digital Friendly Pledge

The Wildheart Animal Sanctuary

Our Digital Pledge:

- We will help people to use our digital services.
- We will design our digital services to be accessible.
- We will train our staff to provide help to use our digital services.
- We will signpost customers to other Digital Friendly Island organisations who can provide further support.
- We will display the Digital Friendly Island logo.
- We will provide an inclusive service that offers an alternative to digital access.

Our Digital Offer:

- We will endeavour to make our website accessible and age friendly.
- We will help people to use our online booking system.
- We will provide an alternative to our online booking system where visitors without internet access can pay for admission on the day.
